

"Speed - In Search of Lost Time", by Florian Opitz

Screened on 22 May

Runtime: 97'

It's a paradox. Never before in history have we worked so efficiently. Never before have we saved so much

Do you not have enough time for your family, friends and hobbies? The feeling of constantly playing "catch

The film was followed by a Q/A, with:

- Dr. **Dirk Geldof** , author of "Unspeeding"
- Prof. **Mark Elchardus** , from the Vrije University of Brussels
- Ms. **Moraig Henderson** , Deputy Director UNDP Brussels
