

18.10.2015 – 24 October and UN's 70th birthday is almost upon us and Elyx still has so much ground to cover. Our digital ambassador shifts into a higher gear to try and see as many countries as possible in the last stretch.

This weekend alone, Elyx will have visited Italy, Mali, Ecuador and Niger.

And the journey continues at breakneck speed...

Sunday, 18 October 2015 08:30

And the journey continues at breakneck speed...

Sunday, 18 October 2015 08:30

the Digital Ambassador is slightly sad to realize that the journey is not over yet, and that the change is still in progress, of which change on the hard by
