

13.07.2016 – When the world’s leaders unanimously approved the [2030 Agenda for Sustainable Development](#) last year, they did so knowing that there would be a platform within the United Nations where they could discuss sustainable development, get guidance, keep track of progress and address any new issues. Six months into work on reaching the [Sustainable Development Goals](#), the time for reviewal has come.

[The High-Level Political Forum](#) (HLPF) on sustainable development is currently underway, taking place from 11 July to 20 July 2016 under the auspices of [the United Nations Economic and Social Council](#) (ECOSOC), at UN Headquarters in New York. The Forum takes place just after the mid-year point of the year following the adoption of the [Sustainable Development Goals](#) (SDGs).
