**22.08.2016- Young people can tell the world how they are shaping a more sustainable future and win a trip to the UN Climate Change Conference in Marrakech, Morocco (COP22) in November by entering the second annual [Global Youth Video Competition on Climate Change](#), by 30 August 2016.**

Climate change is now affecting every country on every continent. It is disrupting national economies and affecting lives, costing people, communities and countries today and even more tomorrow.

[Sustainable Development Goal 13](#) outlines taking urgent action to combat climate change and its impacts. Share your efforts and be in with a chance to win a round trip to the [UN Climate Change Conference in Marrakech](#), Morocco, from 7 to 18 November 2016 (including flight, accommodation and other expenses) and join the UNFCCC Newsroom team as youth reporters, helping the team with videos, articles and social media posts.

# Competition: How do you combat climate change?
