Databases:

Refworld <http://www.unhcr.org/refworld/>

Refworld is the leading source of information necessary for taking quality decisions on refugee status. Refworld contains a vast collection of reports relating to situations in countries of origin, policy documents and positions, and documents relating to international and national legal frameworks. The information has been carefully selected and compiled from UNHCR's global network of field offices, Governments, international, regional and non-governmental organizations, academic institutions and judicial bodies.
