  - Ukraine: Monitoring the devastating impact of the war on civilians (24 May 2022):
  - Since the start of the war in Ukraine, UN Human Rights Monitoring Mission in Ukraine (HRMMU) has documented serious violations of international humanitarian and human rights law. Matilda Bogner, who heads the Mission, understands the challenges of documenting abuses during conflicts. She is a lawyer with 16 years of experience with UN Human Rights, much of it monitoring violations in conflict and post-conflict situations. Back from a recent monitoring visit of 14 towns in Kyiv and Chernihiv regions that were occupied by Russian armed forces, Bogner answers questions about the kinds of abuses observed and if these actions constitute war crimes.
